Re: Possible Violations of Federal  
Criminal Laws by CIA Personnel

Dear Mr. Olney:

Your letter of August 12, 1954, refers to our previous conversations with your office on certain hypothetical cases called, for purposes of discussion, Case of "G", Case of "W", and Case of "E". We agreed with you that in order for you to form a definite opinion so that you could advise us on possible prosecution, it would be necessary for you to have complete information on the criminal aspects of these cases.

We have continued our efforts in the preparation of these cases, and the Case of "E" is almost complete for presentation to your office. I will hope to submit the results of our work to you in the very near future.

Sincerely,

/s/

Lawrence R. Houston  
General Counsel
